

Bethany Outreach Ministries

Ministry Update

JULY 2021

With Covid still spreading in Mexico and increased violence on the border, our ability to travel to our missions has been limited. We thank God we have been able to send our pastors in Mexico forth. They have taken up a greater missionary vision, and the work of the Lord has not suffered.

Pastor Marcos in Oaxaca is going forth every month, holding ministry school and conferences to multiply efforts to spread the Gospel of Jesus Christ. He is training new pastors and missionaries. Marcos is a remarkable teacher. Pastor Edgar from Mexico City is covering our church in Morelia, Michoacan and missions in the state of Guanajuato. The apostle who founded and ministered in these places passed on to Heaven after suffering from Covid. He was Pastor Edgar's father-in-law. Pray for Pastor Efrain's son, Juan who is taking his father's place. Edgar will also be going to support our work in Zacapu where Pastor Juan Pablo is still recovering from the Covid Virus. He continues to minister regardless, but help us believe for his total restoration.

All of our pastors are going forth founding missions in surrounding areas. Pastor Veronica in Ciudad Maiz ministers to 3 missions and has a children's feeding program. Pastor Juan Pablo in Zacapu is ministering with a food distribution and children's feeding

School of Ministry this month in El Terrero, Guerrero led by Pastor Marcos

program in the indigenous village of Santiago Azajo and other nearby towns. Pastor Edgar of Mexico City is ministering at two missions they founded in Veracruz and there are many others. Everywhere, the ministry of Jesus continues to extend.

We also continue to go forth from Bethany. Pastor Carlos and Nicky have been to our church in Nuevo Laredo who also recently lost their pastor. Pastor Juan Arellano contracted TB while caring for his sick mother. The whole family has been suffering with illness for some time but are now recovering. Praise God! Keep his widow, Sister Evita and their three daughters in your prayers. While Carlos and Nicky were there, Sister Annie ministered to the leaders via video conference. When the teaching ended, Pastor Carlos and Nicky laid hands and prayed over them for renewal, comfort and supernatural strength. The church is prospering.

Sister Annie has engaged several of our missions through live video teaching. Our missions report they feel the anointing as strongly as when she has

Ministry in Veracruz

Food Distribution at our new outreach center in Nuevo Progreso

visited in person. The power of God knows no distance or limit! This past weekend, she ministered to our church in Pueblo Viejo, Mich. and Uriangato, Gto. besides preaching in person here Sunday.

Our missions continue to grow. We are building the church former Pastor Efrain began in Morelia, as well as repairing our churches in Huatulco and Pueblo Viejo.

In Nuevo Progreso, we opened an outreach center where we hold ministry training for anyone wanting to serve the Lord regardless of the church they

attend. We also hold a weekly food distribution where we are drawing the lost and needy. The ministry is based on love. The people coming in off the street are greeted at the door and led to a table for a snack and fellowship before ministry time begins. We have seen salvation and healing every week!

We are planning missionary trips from Bethany to Zacapu, Pueblo Viejo, Laredo and for the dedication of the new church in Morelia in the coming months. Pray for the protection and power of God to be manifested. The Lord has made a way where there seemed to be no way. Nothing is impossible for God!
