The Church at Bethany

1520 S. ALAMO RD. EN ALAMO, TEXAS • OFICINA: (956)781-6191

Jesus commanded us to love one another. It is the sign by which we are known to be Christians. It is a special sign because it is a different kind of love. Not as we know love, but as God loves. It is AGAPE! A love that comes from the heart of God.

AGAPE is of divine origin. It comes into your life by the Holy Spirit when you are born again. The new creation that you have become knows how to love in Agape love. It has the power to transform us if we obey it in our lives, and choose to flow from a decision in our hearts to live the life that Jesus died to give us. It releases the presence of Jesus and the power of His ministry into our lives and those of others.
